

DARKNESS IS END OF REAL BALL BATTLE

Hawails Come Through with a Rush and Tie Game in Seventh — Fans Get Their Money's Worth in Pennant Series

BY LAURENCE REDINGTON.
P. A. C. 3, Hawaii 3.

When August Dreier combed out a long, curling fly to left field in the seventh inning of yesterday's game between the Portuguese and the Hawaiians, every sack having an occupant, he tied up one of the most interesting games seen on the local lot for many a day. And there have been some good games of late, too. It was a gladsome swat, good for three bases, and when B. Joy came all the way from first on going into the plate a fraction in advance of the throw, the fans got up and howled.

Certainly no one can kick on the class of baseball that the pennant series of the Oahu league is providing. For a while yesterday it looked as though the Portuguese had all the best of the argument, but the aforementioned clout of Mr. Dreier put an entirely different complexion on the game, and for the last two innings the Parese aggregation was distinctly on the defensive, and had a close call to keep the game down to a tie. The shades of eve had been pulled down so far when the last man was out in the last half of the ninth frame that Umpire Stayton called the game on account of darkness, and it's a safe bet that both sides were well satisfied with the even-break. The three-inning series now stands with one win for the Portuguese, and one tie game. Truly a fitting start for a championship event.

Not Anxious to Play. There were all sorts of baseball in yesterday's contest. To tell the truth, there came very near being no baseball at all, for the Hawaiians were called to play on the Athletic park diamond, which was more like a swamp than a baseball field. After the Junior league opener had been run off somehow, the managers and captains of the Senior league contenders held a long pow-wow, which finally resulted in the announcement by Umpire Stayton that an exhibition only would be played, not to count in the championship series, on account of the poor condition of the ground. This arrangement was all wrong, for if the diamond was fit to play on at all, it was fit for the game that the fans had paid good money to see. The crowd was not backward about voicing its opinion, and within a few minutes the managers decided to make the best of a bad job, and Stayton announced that the exhibition game would be played.

The doings commenced in the fourth frame, when the Portuguese chased one man across the rubber. For the first three innings both sides went out in one-two-three order, and then, in the first half of the fourth, Bushnell got life on a poorly thrown ball from third. He stole second. Ornelas sent up a weak pop which Franco collected, and Scott singled. Ayres made a poor pop to the plate, the ball going to the stands, and Bushnell romped home. Swinton fanned and Scott was caught between third and the plate.

The fifth was a scrappy inning in the real sense of the word. Alex Desha, who had held the Portuguese down to a pair of safe ones and had struck out four, began beefing about the calls when pitching to La Mere, the first man up in the fifth. Umpire Stayton held up a finger in warning after one outburst, but Desha paid no attention, and when the next call was a ball, he dashed his glove to the sod in dramatic fashion, and let out a "Want!" that made the welkin ring, whatever that means. It was a very bushy play on Desha's part, for anyone with half an eye could see that the next kick meant the bench for the pitcher. In fact, there were many in the stands who thought that Desha had himself removed from the game on purpose. At any rate, Stayton waved him to the bench, and his team mates saw to it that he was hustled off the field when he threatened to make a scene.

Joy to Rescue. At first Bill Williams started for the box, but it was finally decided to have Barney Joy finish the game, which proved a wise move, although he got off to a rotten start in the sixth inning.

Barney disposed of the three men to face him in the fifth, but the sixth was a nightmare for the Hawaiians. Williamson, first up, beat out a bunt in clever style, and he went to second when Dreier literally threw away the ball, aiming at no one in particular. Asam rushed over from third, and recovering the ball, made a wild throw to second. Williamson going on to third. Bushnell was safe on the fielder's choice that resulted in tagging Williamson between third and the plate, and went to second on Ornelas' out to the first baseman, unassisted. Scott was safe on a dropped throw at first, Bushnell going to third. Scott stole second, and then he and Bushnell pulled off what amounted to a double steal, the latter scoring. A wild pitch brought Scott in from third. At this time it looked as though the Hawaiians were availing for fair. All this happened while Swinton was at bat, and he finally got a hit, after nearly breaking up the league with lost balls over the fence and over the stand. The next man up was an easy out, and the agony was ended.

It was in the last half of the seventh that the Hawaiians came back in good style. With one gone Ayres drew a pass, and Franco was safe on a sharp hit that seemed to go right through Bushnell. Joy was safe on second's error, and the bags were

NEWS THAT'S COMMENT THAT'S NEWS

Mailes Forfeit Game; Balk at The Uniform

Soccer Standings.	W	L	D	Pts
Healanis	1	0	0	2
Artillery	1	0	0	2
Beavers	0	1	0	0
Mailes	0	1	0	0
National Guard	0	0	0	0

Refusing to recognize the rules of Association football requiring players to appear on the field in regulation uniform, the Maile football team last Saturday forfeited the first game of the season to the 1st Field Artillery team from Schofield Barracks. Many of the Maile players turned up in non-descript costume, with long trousers, instead of in the accepted club shirts and "shorts" and when the referee very properly refused to allow them on the field, refused to play. It was stated Saturday night by a Maile player that the team would not play in the present series until the uniform requirement was changed. Why such a stand is not explained, as the Maile men are all old hands at the game, and should know that uniformity is just as much of a necessity in soccer, as in baseball, polo, or any other game where teams compete against each other.

The Schofield players were much disappointed at winning the game by forfeit, and most of them would rather have played and lost than to have had the trip from Lihalehua and no sport. The game between the Healanis, last year's champions, and the newly organized Beavers, was a good contest throughout. The Healanis scored after 15 minutes of play, and the Beavers equalized before the half-time whistle blew. The bontmen were able to shoot successfully again in the second half.

THREE GLASSY BOXERS ON WAY TO AUSTRALIA

Three leading lights of the prize ring were among the Sonoma's passengers when she docked here this morning. All are bound for Australia, where they have a number of fights in prospect. The men are Eddie McGorty, Ray Bronson, and Young Saylor, and they are accompanied by McGorty's manager, Joe Levine.

McGorty hails from Oakbrook, Wis., and is one of the contenders for the middleweight championship left without an owner when Stan Ketchel passed in. Bronson is a welter, and Young Saylor a lightweight. Both are from Indianapolis.

McGorty has bound himself to take on three matches, the first against Dave Smith on Boxing day. The Indianapolis boys are to remain five months, and each is to take on five bouts, the only stipulation being that their opponents shall be within their respective weights.

It is the first visit to Honolulu of McGorty, and there is much interest in the Wisconsinite, who has been a leading figure in middleweight circles. Concerning Clabby's claiming of the title, McGorty laughs.

"Everybody is claiming the title," he says, "and I think that by knocking out Dave Smith, champion of Australia, in one round, beating the English champion and winning over Mike Gibbons and Frank Dillon, I am entitled to some of the honors. No matter what they may say, I can make the weight, 155 pounds, and when I return from Australia will be glad to meet Clabby in a 20-round bout."

—Bronson is making his second trip to Australia, having been there previously with Cyclone Johnny Thompson and Jimmy Clabby, and he says that he is glad to go again.

Young Saylor has a good record and is hoping to return to San Francisco within a few months and meet some of the coast lightweights.

OUR SURGEONS BEST OF ALL DECLARES MAITRE LABORI

He Urges French Scientists to Take Cue from the U. S. A.

[By Latest Mail] WASHINGTON, D. C.—Three government officials—Charles F. Stokes, surgeon-general of the navy; George H. Torney, surgeon-general of the army; and Rupert Blue, surgeon-general of the public health service—will be made fellows of the American College of Surgeons at the first convocation of the organization in Chicago Nov. 13.

This is the highest honor in the gift of the medical profession and is to be conferred upon 500 physicians, who have been selected because of their scientific achievements and unquestioned ethical standing.

The college was organized here last May and is similar to the Royal College of Physicians and Surgeons of London. Its object is to protect the public against unethical practices.

It is feared that the explorer Vilhjalmur Stefansson may have perished in the Arctic. His steamship Karlux has not been sighted since August 14, when it was seen off Flaxman island.

HIGH SCHOOL SCORES TWICE ON TOWN TEAM BUT LOSES 12-19

McKinley Footballers Make Great Showing Against Season's Champions but Weak Defense Work Costs Them game—Dave Kahalewai Makes Two Touchdowns Through Cleverly-Worked Forward Passes—Jimmie Hart Stars for the Townies

By HOWARD D. CASE. By good luck and headwork, coming in the form of two cleverly-executed forward passes, favored the McKinley High school football team Saturday afternoon to the extent that it now has the distinction of being the only eleven to score on Captain "Scotty" Schuman's Town team this season. Up until the last quarter it looked as if the contest would be a tie, as each team had crossed the other's goal twice, but in the last period the High school, weakened by the loss of two of its best players, was unable to stop the fierce line rushes of the Townies, and the latter aggregation was allowed to cross the chalk for its third touchdown, making the score 12 to 19 in its favor. In spite of the rough tactics displayed at times, the game was full of interest throughout, and the remarkable showing made by the High school only served to increase the high standard of proficiency which it has reached in local football circles this year.

Within four minutes after the High school kicked to the Townies in the opening quarter, things began to look pretty blue for the former eleven, for Schuman's men, by a series of line bucks and end runs, sent "Bill" Rosa over for a touchdown. The third quarter was about as lively as could be expected, for during this period David Kahalewai, playing an end for the High school, twice secured forward passes and carried the pigskin over the line for two touchdowns. The Town team also secured a touchdown in this quarter, and at the end the score stood 12 to 12, as no goals had been kicked by either side. Near the beginning of the last period, the High school line weakened and the Town team again scored, this time kicking a goal to wind up the touchdown, and when the whistle blew announcing the end of the game, the Townies had won by 19 to 12.

Ki Fong Stars for High. Ki Fong, the fast High school half-back, redeemed himself for past performances yesterday by making some excellent plays, which netted the High school big gains. Again and again he was given the ball, and hardly ever did he fail to hammer the Town team line for yard after yard. Lionel Brash was another High school man who played an unusually good game and, with Ki Fong, he bore the brunt of the work. Captain Brash and Clifford Melin did good work in the backfield and Campbell Crozier, while in the game at Campbell Crozier, handled his team with the skill of a veteran. Captain Sylva, Kakita, Kahalewai and Wong did the majority of the tackling, but lost their men at times by working too high. The High school line, while it played good football on the offense, was remarkably weak on the defense, and this fact probably lost the Highs the game. One thing which caused the High school to lose heart near the end of the game was an accident, which necessitated Campbell Crozier being taken off the field and shortly after removed to the hospital. Crozier received a blow between the eyes during a scrimmage and, although he heroically insisted that he was all right, was led to the sidelines and his place taken by Captain Sylva. His injury was considered serious for a while, but it was later reported that he was doing nicely under treatment at the Queen's hospital.

Town Team Strong. In spite of their lack of practice the Town team showed up as strong as ever, but it was only by the hardest kind of playing that they kept themselves from being defeated. Their weight and speed proved to be too much for the McKinleyites at times, and the High's ragged defense work favored them at all times. Jimmy Hart probably played a better game than any other man on the Town team, for time and again he dodged through the Black and Gold line for long gains. He was ably assisted by Rosa and Liu, however, and the line, while it contained several new men, played up to its usual standard. There was a slim crowd in attendance and the rooting was way below par. The High school girls deserve credit for the manner in which they got together at times, and under the leadership of one of their number, cheered their team on. Following is a brief resume of the game by periods.

First Quarter. The High school kicked to the Town team and the ball was received by Paty, who carried it to the center of the field before he was downed by Clifford Melin. On the first down Rosa got away for four yards, being tackled by Rosehill, and on the next two Hart made 14 yards, Reidford and Ki Fong figuring in the blocking work. The next two downs saw the Town team work the ball toward the High school goal, and then, by a long end run, Liu carried it to the five-yard line. On the next down Hart carried it to the one-yard line and then Rosa took it over the line for a touchdown. Hart failed to kick goal and the score stood 6 to 0 in favor of the Townies. The High school received the ball on the kickoff and Brash took it on the 25-yard line, making a pretty gain before being tackled. The play centered about the 35-yard line for four downs, and the ball went over atop the Highs failed to make the yardage. On the first play Hart broke away for a long run for a 20-yard gain, and after the Townies had worked it into the High's territory, they lost it. Through

a series of line rushes, the Highs brought the pigskin back to the center of the field and time was called. Second Quarter. The ball went into play in possession of the High school in the middle of the field. A pass from Brash was received by Hart of the Town team, and Schuman's men, failing to make gains for yardage, were forced to punt. The ball was received by Brash on the High's 35-yard line, who again brought it back to the center of the field. A play through center by Crozier netted the High school seven yards, and by a series of plays which netted good gains the High school rushed the ball to the Townies' 30-yard line, where an attempted place kick by Crozier lost them the ball. The ball went into play in possession of the Town team on the 30-yard line. Nine yards were made by Hart in the first two downs and then Kakita of the High school dived through the line and twice prevented Rosa from making gains. The Townies were forced to punt at this stage of the game, and the ball was taken by Brash on the High's 30-yard line. Ki Fong got through for a good gain on the first down and Brash, after failing to gain on two downs, passed the ball, which proved incomplete. Brash then punted and the ball was taken by the Town team in the center of the field. On the first three downs Hart was sent through and succeeded in making a total gain of 11 yards. Liu was sent through for 10 yards and time was called with the ball well in the High's territory in possession of the Town team.

Third Quarter. The third period was the most interesting of the entire contest. The Town team kicked to the High school and the ball was received by Brash on the 20-yard line, who advanced it for 10 yards before being tackled. The High school made its yardage on the first three downs through Ki Fong and Melin, and at this stage Crozier was taken out and Captain Sylva put in his place. On the first down Clifford Melin broke away for a pretty gain of 35 yards, and on the next two Brash and Ki Fong added five to this. Through a series of line plunges the High school carried the ball to the Townies' 8-yard line, and a pass from Brash was received by D. Kahalewai, who carried the ball over the line for a touchdown. Melin failed to kick goal and the score stood 6 to 6. The Town team again kicked to the High school and the ball was taken by Ki Fong on the 30-yard line, he advancing it eight yards before being tackled by Paty. The Highs rushed the ball to the center of the field, where Brash again passed the ball. The pigskin fell in Dave Kahalewai's arms for the second time, and he ran the remainder of the distance for a touchdown. Ki Fong attempted to kick goal but Paty ran out and blocked the ball, and the score stood 12 to 6 in favor of the High school. Rosa took the ball on the kick-off and got away for 35 yards, and by a series of end runs the Townies carried the ball into the High's territory and Rosa went over for a touchdown. Hart failed to kick goal and the score stood 12 to 12. The Townies kicked to the High school and the period came to a close with the ball in the center in possession of the latter team.

Last Quarter. The ball went into play in the center of the field in possession of the High school. Brash got away for two good gains on the first two downs.

PAWAAS TURN THE TABLES

It was ragged baseball that the C. A. U. and Pawaas, contenders for the Junior league pennant, played at Athletic Park yesterday afternoon or a wet field. The game was the reverse of the first contest between the two teams a week ago, not only in result, but also in class. The series now stands one and one.

The score: Pawaas ABRBHSBP A E Peterson, cf. 4 2 0 0 1 0 0 Aylett, ss. 2 1 0 2 3 1 0 Cushingham, 1b. 5 1 2 0 10 0 Johnson, 2b. 5 1 1 2 5 1 0 Williams, rf. 4 2 3 0 4 0 0 Ornelas, 3b. 5 3 2 2 1 0 0

Healani Club Will Go in For Swimming

Following the plan agreed on at the annual meeting of the club last week, the Healani members who take a special interest in swimming got together yesterday at the boat house and organized a swimming club. The idea is to organize swimming, much in the way that soccer football is handled by the Healanis, having separate officers and meeting days for the team.

Officers elected yesterday were C. E. Mayne, athletic manager; R. S. Blake, captain and secretary; Allan Cunha, vice captain. A. T. Longley and E. Langer are to assist the officers in selecting teams, as members of a selection committee.

Swimming meets will be held among the members during the year, and suitable prizes presented. The training days will be Tuesdays, Thursdays and Saturdays.

Candidates for the swimming team are: George Cunha, Lawrence Cunha, Frank Cunha, Allan Cunha, F. Kruger, H. Kruger, E. Methven, J. H. Wodehouse, W. Thompson, D. H. Lockwood, Woods Low, Walter Grace, George Bushnell, E. Langer, H. Kreye, H. Evanson, M. L. H. Reynolds and R. S. Blake.

All those who wish to join are asked to hand in their names to the secretary, R. S. Blake, as soon as possible.

A small sum will be collected every month for the purpose of purchasing suits, etc.

25TH INFANTRY EASY MONEY FOR CHINESE TEAM

The 25th Infantry team will have to play a better brand of baseball if it expects to take a single game of the series started Saturday, from the All-Chinese. There are some fairly good fielders, and some hard hitters on the Chinese team, but only about three members use their heads as well as their hands, and the result is very ragged baseball. It is true that the regimental team has not been practicing since the Schofield Barracks series closed, and probably a week's play will improve the combination, but the improvement will have to be a big one to make the remainder of the present series interesting.

Saturday's game went to the Chinese 7 to 2, and those two runs were smacking four base hits over the right field fence. Only four hits in all were collected off Foster Robinson's delivery, and six of the innings were hitless for the soldiers. On the other side of the score book, six hits were collected, and when it is noted that three separate twirlers were used, it is evident that the swats came at unfortunate times for the soldiers.

The 25th cut into the scoring first, when Willis, the third man up in the first frame, got a homer close to the foul line. The Schofield rooters were jubilant.

In the second, two hits and a sacrifice by Chinese batters, copied with a couple of costly errors by the 25th, brought across two runs. The fourth started by a Chinese batter being hit with a pitched ball, but being out at second on an attempted steal. The next man fanned, but A. Akana hit, the ball going through the center fielder and the runner getting to second. Robinson hit to right, and another outfield error allowed Akana to score. Two past balls in succession brought Robinson home. In the fifth Waterhouse relieved Jasper on the mound, but a pass, a hit batter, a passed ball, an error and a whiff of stolen bases, resulted in three runs, and he in turn was yanked out to make room for Willis, who changed from third to the pitcher's box and finished the game.

The next game between the two teams will be played Saturday afternoon. As announced in these columns Saturday last, it is the regular regimental team of the 25th Infantry, and not the team of Company L, that is playing the present series against the Chinese.

SNAPPY GAME SEES PUNAHOU DEFEAT CADETS

Fast Playing on Both Sides Gives O. C. Contest by the Score of 7 to 2

Three minutes after the initial whistle blew, the Oahu College eleven scored its only touchdown on the Kamehameha team Saturday afternoon on the latter's field, beating the cadets for the second time this season. After twice making the required yardage, Harry Baldwin made a pretty pass to George Quintal, who carried the ball over the line. Captain "Bill" Inman kicked the goal and the score stood 7 to 0 in favor of the wearers of the Buff and Blue. The cadets' only score came in the second quarter when their line broke through on a punt formation and pushed Quintal back two yards and over the line for a safety, which counted two points.

After the first touchdown, the cadets worked hard and Punahou was unable to score again. In the last quarter Harry Baldwin made the prettiest run of the season, carrying the ball through the center of the Kam line and to the Kam's 10-yard mark for a total gain of 60 yards. Although this gave the collegians the ball right under the Kamehameha goal, they were not able to score again. The biggest feature of the game was the cadets' defense. Time after time the heavy men on their line broke through Punahou and nailed the runner behind his support. Emo and Cockett did some very good work at the tackles, breaking the interference and often getting the man with the ball on end runs.

Punahou Backfield Strong. The O. C. team did well in all lines and every man on the team was playing in good form. The backs worked hard and deserve credit for their clever work on the offense. The ball was in Punahou's hands the greater part of the time and the backfield kept it in its possession by short gains and open plays. Harry Baldwin did the lion's share of the work when his team had the ball and was well supported by Quintal, Austin and Brown.

The remainder of the "Big Four" every man on the Oahuans line showed up as one time or the other, and it would hardly be fair to mention one without saying something about every other man.

With Naphas at left half and Manoh at quarter, the cadets had the strongest backfield that they have played this season. With a few more weeks of practice this combination should prove the strongest in the league. Correa and Naphas worked hard on the offense, sometimes getting through for good gains, but they were not able to hold the ball in their possession for any length of time. Coach Brewer is largely responsible for the good game that the cadets played, while Coach Frank Midkiff of Punahou also deserves credit for the good showing that the Oahu College squad made.

Punahou Stars Fast. Kamehameha began the game by kicking off to Ernest Baldwin, who carried the ball to the middle of the field before he was downed. On the first play Harry Baldwin was thrown back for a loss, which was made up by Brown on a buck. Harry Baldwin took the ball in the next two plays for a total of 10 yards. The three following plays netted the Oahuans only short gains so a forward pass was tried. Quintal received the pass and ran over the line for the first score. Captain Inman put the ball between the posts and the score stood 7 to 0. Kamehameha again chose the kick-off and the ball was received by Quintal, who was downed on O. C.'s 40-yard line. Two short bucks by Austin and Brown, and another short gain around the end, gave Punahou a first down in the middle of the field.

On the next two plays the cadets took a brace and nailed Austin and Baldwin for a total loss. Quintal then kicked the ball far into the Kam's territory, where it was recovered by a Punahou man. A drop kick was tried but the ball went wild. Kamehameha was given the ball on her 20-yard line and on the first play Correa was sent through for a gain of five yards. Bill Inman broke up the following run and Kamehameha kicked. Punahou kicked again and this game Kamehameha was in the middle of the field. Brown nailed Naphas in the first buck and Correa made a sort gain on the next play. During this part of the game Jimmy Hind did some good work at center. End of the first quarter, O. C. 7, Kams, 0.

Punahou got the ball and kicked from her 20-yard line. "Candy" Bond got down the field in quick order and Kamehameha near the center of the gridiron. Three good gains gave the cadets a first down and although Inman and Renton got through, the next two plays saw the Kams 10 yards nearer their goal. Punahou now took a brace and the Kam backs were unable to gain. Captain Manoh tried to kick a goal from a placement but the leather remained close to the ground and Quintal recovered the ball seven yards from O. C.'s goal. On a punt formation he was thrown back of the line for a safety. O. C. 7, Kams 2. Oahu College kicked the ball from

(Continued on page ten)

KAMEHAMEHA TO PLAY O. C. THANKSGIVING

Captain Manoha of Cadets to Uphold His Team's Right to Contest

George Manoha, captain of the Kamehameha Manual School football squad, said yesterday morning that his aggregation would assume the bonus promised the Town team by the high school, and play the final football game of the season with Oahu College on Thanksgiving day, having won the right to the contest as the result of the game with the collegians last Saturday afternoon.

At a recent meeting of the representatives of those football teams in the 1913-14 interscholastic league, an agreement was reached whereby, if Punahou defeated the cadets by two touchdowns, the McKinley High School team would be entitled to the game with the collegians on Thanksgiving day, but if Punahou won by a smaller score, or was defeated or tied, Kamehameha would have the right to the contest. As the result of the game Saturday, in which Kamehameha was defeated by a score of 7 to 2, the cadets reserve the right to the last contest, and Captain Manoha's decision, as made yesterday morning, is declared to be final.

It was rumored yesterday morning that, with regard to the present public opinion with regard to the Thanksgiving day game, that Kamehameha would withdraw for a certain percentage of the gate receipts and leave the final game to Oahu College and the high school. The football fans have been anxious to see these two eleven battle for the championship, claiming that the McKinleyites have made a better showing against Punahou than has Kamehameha—not from a standpoint of scores made in games, but from strength and aggressiveness. Captain Manoha's decision to play the game, however, is a perfectly just one, for Kamehameha has won her right to try for the championship, and is just as eager for the laurels as is the high school or Punahou. The cadets have put a strong, fast squad in the field, and it has proved its ability as a football team in every game which it has engaged in this season, and now the team, according to Manoha, is willing to assume its share of the bonus to the Town team, paying \$52.50 against Punahou's \$32.50.

It is said that the McKinley High school team, having failed to secure the Thanksgiving day game, will disband, although there is some talk that it will play a game with Punahou sometime during the early part of December. Coach Olein Jackson, who has handled the Black and Gold squad for the past two months, said yesterday that, in case Manoha's decision is final, that the McKinley aggregation should disband at once, from the fact that it has engaged in a hard season and that it would not be of any benefit to the men to over-train. Nothing but grades is due the High school men for the way in which they have entered into football this season, having come up out of the depths of a five-year slump in a manner which has been a distinct surprise to the local lovers of the game. The credit is equally divided among the members of the squad, for every man has played his game and upheld the honor of his school to the best of his ability. Nothing but good luck is destined to go with the McKinley team upon its retirement, with the hope that next year a like aggregation may be organized. The thanks of the team and of the school is due to Coach Glenn Jackson and Percy N. Folson and also to the student body, for the support given the McKinley High school football team has come back, and to stay.

When told of Captain Manoha's decision, William Inman, captain of the Punahou team said that he had no choice in the matter of which squad his aggregation played on Thanksgiving, but expressed his disappointment at not being able to play the McKinleyites. The final game, if played as now evident, will be a fast and interesting one, for the teams are evenly matched and each eager for the championship. It will be a tough fight from start to finish and the best team will win.

LOS ANGELES MAY BUY POWER PLANT

[By Latest Mail] LOS ANGELES, Cal.—Los Angeles plans to ask the state railroad commission to appraise the properties of the local power distributing companies, the valuation to form the basis for possible sale of the distributing systems to the city in the event the \$5,500,000 bond issue is passed.

This course was decided on at a conference of city officials and power company representatives, says the Tribune. It was decided that inasmuch as it is likely that the city may be placed in a position either to purchase the distributing systems of the local corporations or build a system of its own, a valuation of the company properties likely to be of use to the city should be made as soon as possible.
